Convocation

of the 33rd Annual General Meeting of Burgenland Holding Aktiengesellschaft

which is scheduled to take place on Friday, 11 March 2022, at 10:00am (CET) in the EVN Forum,
EVN Platz, AT-2344 Maria Enzersdorf

as a virtual general meeting without the physical presence of shareholders

in accordance with the following Austrian law and regulation: “Gesellschaftsrechtliches COVID-19-Gesetz (COVID-19-GesG)” and “Gesellschaftsrechtliche COVID-19-Verordnung (COVID-19-GesV)”

In view of the ongoing global COVID-19 pandemic, the Executive Board has decided, after careful evaluation and for the protection of shareholders and other participants, to also hold the 33rd Annual General Meeting without the physical presence of shareholders. The organisation of the Annual General Meeting in virtual form is necessary and in the best interests of the Company and its shareholders considering current developments and after careful assessment by the Executive Board.

The Annual General Meeting of Burgenland Holding Aktiengesellschaft on 11 March 2022 will therefore be held as a “Virtual Annual General Meeting” in accordance with Austrian law (“Gesellschaftsrechtliches COVID-19-Gesetz”, “COVID-19-GesG”, BGBl I 16/2020) in the current version and the related regulation issued by the Federal Ministry of Justice (“Gesellschaftsrechtliche COVID-19-Verordnung”, “COVID-19-GesV”, BGBl II 140/2020) in the current version.

One particular result of the organisation of the Annual General Meeting as a Virtual Annual General Meeting in accordance with the “COVID-19-GesV” is that shareholders and their representatives (with the exception of the specially designated voting representatives defined by Article 3 para. 4 of the “COVID-19-GesV” regulation) cannot be physically present at the meeting for reasons related to health protection but will be able to follow the Annual General Meeting visually and acoustically in real time over the internet.

In accordance with Article 3 para. 4 of the “COVID-19-GesV” regulation, voting as well as the right to propose motions and the right to raise objections can only be exercised through the designation of a proxy and the issuance of instructions to one of the voting representatives recommended by the Company.

Shareholders can independently exercise the right to request information at the Virtual Annual General Meeting via electronic communications, i.e. by sending their questions in text form to the following e-mail address: fragen.buho@hauptversammlung.at.

Transmission of the Annual General Meeting on the internet

The Annual General Meeting will be transmitted in real time and in full on the internet in accordance with Article 3 para. 4 of the "COVID-19-GesV" regulation in connection with Article 102 para. 4 of the Austrian Stock Corporation Act. This is permitted under data protection regulations based on Article 3 para. 4 of the "COVID-19-GesV" regulation and Article 102 para. 4 of the Austrian Stock Corporation Act.

All shareholders of the Company can follow the Annual General Meeting on 11 March 2022 beginning at approximately 10:00am (CET) on the internet under www.buho.at/AGM with the use of appropriate technical means. Registration or login is not required to follow the Annual General Meeting on the internet.

The real-time transmission of the Annual General Meeting gives shareholders the opportunity to participate in the meeting from any location in real time with an acoustic and visual one-way connection, to follow the progress of the Annual General Meeting (including the report by the Executive Board, the general debate and the response to questions by shareholders as well as voting procedures) and to react to developments at the Annual General Meeting. It is hereby noted that the live transmission of the Annual General Meeting on the internet is not a two-way connection and does not allow for remote participation as defined in Article 102 para. 3 no. 2 of the Austrian Stock Corporation Act or for remote voting as defined in Article 102 para. 3 no. 3 of the Austrian Stock Corporation Act in connection with Article 126 of the Austrian Stock Corporation Act.

Furthermore, it is hereby noted that the Company is only responsible for the use of technical communication media when these media are attributable to its sphere of influence (Article 2 para. 6 of the "COVID-19-GesV" regulation).

Reference is also made to the additional information on the rights of shareholders and the information on the organisational and technical requirements for participation in the Virtual Annual General Meeting in accordance with Article 3 para. 3 in connection with Article 2 para. 4 of the "COVID-19-GesV" regulation, which will be published on the Company's website at the latest by 18 February 2022 under www.buho.at/AGM.

We kindly ask shareholders to pay particular attention to this information and the requirements and conditions for participation described therein.

Representation of shareholders at the Annual General Meeting by specially designated voting representatives in accordance with Article 3 para. 4 of the "COVID-19-GesV" regulation

Every shareholder entitled to participate in the Virtual Annual General Meeting has the right to appoint a representative to participate in the Virtual Annual General Meeting on his/her behalf pursuant to the "COVID-19-GesV" regulation and to exercise his/her shareholder's rights. The shareholder is not restricted as to the number of persons designated as representatives or to their selection.

In accordance with Article 3 para. 4 of the "COVID-19-GesV" regulation, the rights to propose motions, to vote and to raise objections at the Virtual Annual General Meeting can only be exercised by one of the following specially designated voting representatives.

Every shareholder who is entitled to participate in the Virtual Annual General Meeting and who has demonstrated this entitlement to the Company according to the requirements of the convocation to the Annual General Meeting is entitled to select one of the following specially designated voting representatives:

- Dr. Michael Knap

Every shareholder is free to select to a specially designated voting representative from among the above-named persons and to grant a power of attorney to the selected representative. The costs for this specially designated voting representation will be carried by the Company. All other costs, in particular bank charges for the certificate of deposit or mailing costs, must be carried by the shareholder.

The form provided on the Company's website under www.buho.at/AGM can be used to issue a power of attorney and instructions to one of the specially designated voting representatives. The power of attorney must be sent to and kept on file by the Company.

The specially designated voting representatives can be reached directly under the above contact data and should be contacted on a timely basis if there are specific instructions.

In order to verify their identity, we kindly ask shareholders to enter their e-mail address in the appropriate field on the form used to issue a power of attorney. This form will also be used for submitting instructions to the specially designated voting representative (instructions, proposals for motions or objections) or for questions and comments to the Company. The shareholder data in the certificate of deposit must agree with the data on the power of attorney (otherwise, the power of attorney could be declared invalid).

If a power of attorney is issued to a person other than one of the above-mentioned specially designated voting representatives, an effective chain of authorisations (subsidiary powers of attorney) must ensure that the specially designated voting representative is authorised to exercise the shareholder's voting right, rights to propose motions and to raise objections. The designation of another person to exercise these rights at the Virtual Annual General Meeting is not possible under the "COVID-19-GesV" regulation and is therefore invalid.

A shareholder can issue a power of attorney to the credit institution maintaining the custody account – after consultation with the institution. In this case, a statement by the latter attached to the certificate of deposit confirming that it has been granted a power of attorney will be sufficient. This statement should be sent to the Company at one of the above addresses (see the above information under certificates of deposit), and the power of attorney must not be sent to the Company. The credit institution maintaining the custody account must utilise one of the recommended specially designated voting representatives for the proposal of motions, voting and raising objections at the Annual General Meeting.

Completed and signed powers of attorney must be sent to the Company in text form at one of the following addresses for receipt no later than **9 March 2022, 16:00 (CET)**:
